

## GREEN PIN® TURNBUCKLE WITH SAFETY BOLT

The Green Pin® JJ Turnbuckle BN is a turnbuckle with jaw-jaw end-fitting and a safety bolt, generally to ASTM F1145-92. One of the unique features of Green Pin® Turnbuckles such as this one is that they can be used for both lifting and lashing.

The turnbuckle also offers a double safety (cotter pin and safety bolt) which prevents accidental unscrewing of the pin. The Green Pin® JJ Turnbuckle BN is available in a range with a diameter thread of 3/8" (take up of 6") up to 2 3/4" (take up of 24").
